### 備註 Note :

一、口試日期由指導教授安排每學期得舉行一次。上學期需在十月三十一日以前舉行，下學期需在四月三十日以前舉行(針對春季班入學/希望一年半畢業者)。The oral test is scheduled by the advisor, and held once every semester. The oral test must be conducted before October 31 of the first semester, and before April 30 of the second semester (for spring semester enrollment/for those wishing to graduate in one and half years).

二、總平均以 70 分為及格，若有兩位委員之評分在 70 分以下者，即使平均在 70 分以上，亦以不及格論。考試不及格者，得在口試後二個月內進行補考。初審口試通過六個月後，始得進行正式之論文審查及口試。The overall average passing score is 70. If scores given by two of the committee members are less than 70, then the thesis is a no-pass even if the third member gives a score of more than 70. If the candidate fails the oral test, a re-take will be conducted within 2 months. Only Master's degree student who have passed the master thesis proposal after six months can apply to take the master degree examination.
